

CLINICAL SKILLS TRAINING - *professional performance*

Invitation to health professionals, administrators, and politicians to join a triple event

Seventh Öresund Symposium on Clinical Skills Training,
15 years anniversary symposium for Centre for Clinical Education
and inauguration of honorary professor, Cees van der Vleuten, in assessment in medical education at
University of Copenhagen.

February 3rd, 2011 from 08.45 to 17.30
Copenhagen University Hospital, Rigshospitalet, Auditorium 1,
Address: Blegdamsvej 9, Copenhagen

PROGRAMME

08.45-09.15	Registration	
09.15-09.30	Welcome Presentation of the programme	S Hartling I Ihse
Session 1	Team performance and patient safety	D Østergaard
09.30-10.00	Outcome-based research in Obstetric simulation	T Draycott
10.00-10.15	Team performance in hand-over situations	M Dyrlov Madsen
10.15-10.30	Team communication	L Rabøl
10.30-10.45	On-site simulation training – pros and cons	J Knutsson
10.45-11.15	Coffee and exhibition	
Session 2	Professional performance	C Carlsson
11.15-11.45	Slowing down when you should: key to expert performance	CA Moulton
11.45-12.00	Predictive validity of simulation performance – a gender issue	L Tsai
12.00-12.15	Test, stress, and learning – a gender issue	C Kromann
12.15-12.30	The role of feedback in virtual reality simulation training	J Østergaard
12.30-13.30	Lunch and exhibition	
Session 3	Centre for Clinical Education (CEKU) 15 years anniversary	T Schroeder
13.30-13.45	Introduction	
13.45-15.00	Looking back – looking forward Centre for Clinical Education	T Schroeder, CEKU staff. and C Ringsted
15.00-15.30	Coffee and exhibition	
Session 4	Inauguration of honorary professor, Cees van der Vleuten	HH Saxild
15.30-16.30	Assessment of competence – past, present, and future Closing remarks	C van der Vleuten J Hilsted
16.30	Reception	J Hilsted

Attendance is free of charge, however registration is required

On-line registration: www.oresundsymposium.dk. Deadline for registration January 9th 2011

Öresund symposium organising committee

Charlotte Ringsted, Professor and Director of Centre for Clinical Education, University of Copenhagen and Capital Region of Denmark, Rigshospitalet.

Jette Led Sørensen, Associate Professor, University of Copenhagen and Juliane Marie Centre, Rigshospitalet, Denmark

Doris Østergaard, Associate Professor University of Copenhagen and Director of Danish Institute for Medical Simulation, Hospital, Herlev, Denmark

Anne Lippert, MD, Deputy Director, Danish Institute for Medical Simulation, Hospital, Herlev, Denmark

Ingemar Ihse, Professor of surgery and Director of Practicum, Lund University Hospital, Sweden

Anneli Sundberg, Head of Education of Practicum, Lund University Hospital, Sweden

Christer Carlsson, Professor and Director, Centre for Medical Simulation, Malmö University Hospital, Malmö, Sweden

Cecilia Holm, Course developer, Centre for Medical Simulation, Malmö University Hospital, Sweden

Local organising committee

Mikael Bitsch, Sune Räder, Rasmus L Jørgensen, Ditte G Ahlberg, Bodil Højbjerg, Morten Jon Andersen, Centre for Clinical Education.

Faculty in order of appearance

Svend Hartling, Group Managing Director, Capital Region of Denmark

Tim Draycott, Consultant, Department of Women's Health, Southmead Hospital, Bristol, UK

Marlene D Madsen, Phd fellow, University of Copenhagen

Louise Rabøl, Phd fellow, University of Copenhagen

Jeanette Knutsson, Project leader, Practicum, Lund University Hospital, Sweden

Carol-Anne Moulton, MBBS, MEd, The Wilson Centre, Toronto, Canada

Li Felländer-Tsai, Professor of ortopedics, Karolinska Institutet, Stockholm, Sweden

Charles Kromann, Medical student and research fellow, Centre for Clinical Education

Jeanett Østergaard, Phd fellow, University of Copenhagen and Dept of Gyn&Obs, Juliane Marie Centre, Rigshospitalet

Torben V Schroeder, Professor of vascular surgery, University of Copenhagen

Poster presentations of Centre for Clinical Education: Mikael Bitsch, Charles Kromann, Asbjørn Hasselager, and The student teachers; Morten L Jensen; Ann-Helen Henriksen, Charlotte Søjnæs, Kirstine Dahl; Birgitte D Pedersen, Monica W Steinitz, Pia Munkehøj; Lars Konge, Sune Räder, Bo Bech

Hans Henrik Saxild, Vice-dean of education, University of Copenhagen, Faculty of Health Science

Cees van der Vleuten, Professor, Maastricht University, and Honorary professor, University of Copenhagen, Faculty of Health Science

Jannik Hilsted, Medical Director, Rigshospitalet, Denmark
